Worktops

Beech Multiplex

- Made of several layers of peeled veneers (connected with an adhesive)
- Veneers are laid crosswise
- Material: beech wood
- High strength & dimensional stability
- Natural look

Stainless Steel 430

- Density: 7.70 g/cm³
- Ferritic steel
- Chromium content of 17%
- Good corrosion resistance
- Good polishability
- Good resistance to water, water vapour, humidity
- Good resistance to weak acids and alkalis

Stainless Steel 304

- V2A steel
- 18% chrome and 8% nickel
- Resistance to oxidation
- Easy to clean
- Resistant to water, water vapour, humidity
- Resistant to weak organic and inorganic acids

Solid Surface

- Homogeneous and non-porous material
- Mixture of natural minerals and acrylic resins
- Optimum hygiene and antibacterial protection
- Dirt cannot adhere
- UV protection
- Stain-resistant
- Easy to clean
- Practicality, durability and elegance combined
- Available in 4 colour variations

€ 4.870,-

Modular Workshop Elements | empty

To be assembled according to your own needs. Free-standing construction, no fixings necessary and therefore very flexible to set up. Each module can be ordered individually. Drawers with ball bearings in various heights, suitable for all KRAFTWERK tool inserts (COMPLETO hard trays, EVA, EVA3) with central locking and individually lockable.

With our One-Key solution, it is possible to retrofit all locks with the same lock number so that only one key is needed.

Wide range of accessories to match the rear panels with square holes for professional tool storage. Various models can be selected as worktops, depending on the area of application: Beech multiplex/wood | Stainless steel 430 | Stainless steel 304 | Solid Surface in 4 colours (on request).

MyKRAFTWERK INLAYS ACCORDING TO YOUR WISHES!

MyKRAFTWERK Inlays

KRAFTWERK offers you the possibility to equip and design your own tool insert made of coloured PE foam according to your wishes. Select the KRAFTWERK tools of your choice and simply define which tool should go in which insert. The drawing will then be sent to you with an approval for the design, including a quotation.
